Start off BIG with  
LEGO® DUPLO®, designed  
to let your little one  
learn as they play!

**EMOTIONAL  
DEVELOPMENT**

Learning how to manage and express emotions at a young age will give your child the resilience to process challenging experiences throughout their life.

**SOCIAL  
DEVELOPMENT**

LEGO® DUPLO® playsets encourage kids to collaborate and communicate, understand other people's perspectives and build positive relationships as they go through life.

**CREATIVE  
DEVELOPMENT**

Constructing their own ideas and role-playing endless imaginative narratives sets the stage for toddlers to become innovative thinkers and hands-on creators.

**COGNITIVE  
DEVELOPMENT**

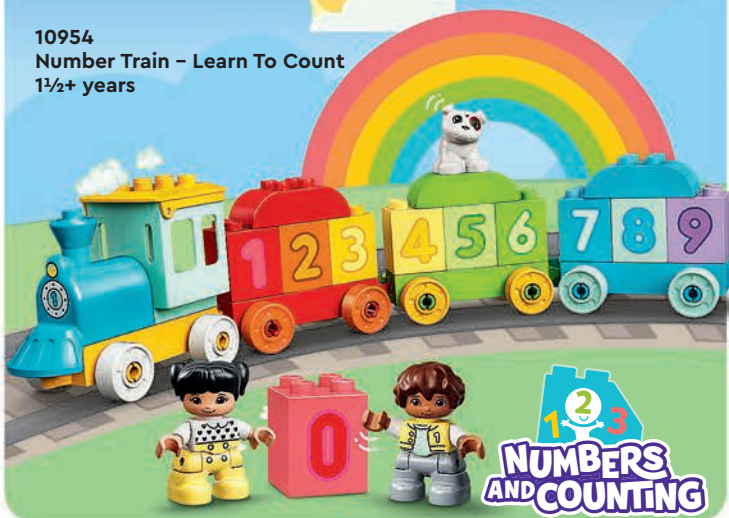

When a child plays with LEGO® DUPLO® toys they think, plan, solve problems, imagine what happens next and make memories that they can draw on in the future.

**PHYSICAL  
DEVELOPMENT**

LEGO® DUPLO® bricks and pieces are perfect for small hands to pick up and place, connect and take apart, and develop dexterity and strength.
