

Ultra Vit 

OUR PHILOSOPHY

We believe that a balanced, healthy and 100% natural diet is crucial to survive in our stressful everyday life.

In fact, many people struggle with deficiency symptoms because not every meal provides the necessary balance of vitamins and minerals. It is therefore all the more important to supply us with the missing components elsewhere and thus to strengthen our body and our immune system.

Our ultimate goal is to produce innovative convenience products that not only do something for our well-being, but are also packaged in the tastiest, most fun form ever! Are you ready to support us on our mission?

WHAT WE BELIEVE IN

UltraVit believes that natural food supplements are essential for a healthy and balanced diet. They are still suitable for a hectic lifestyle. We have made this our main goal and develop innovative practical products. With their effective, scientifically sound formulations, they offer great added value

QUALITY

What we do, we do well. We choose the highest quality for the best products

PERFORMANCE

Our products have advantages from the inside out: feel it and see it!

FUN

What we do makes us fun: for us and you. For a healthier lifestyle

EXPERIENCE

We have more than 15 years of experience in producing outstanding products

COMMUNITY

Everything we do only makes sense if it is supported by our avid nutritional supplement enthusiasts

DIVERSITY

In order to meet all needs, we develop specific products with special advantages

VITAMINS & SUPPLEMENTS

Zinc

Methylsulfonylmethane	1200 mg

PACKAGING

90 tablets

RECOMMENDATION FOR USE

Take 3 tablets daily unchewed with some liquid during a meal.

Curcumin D3

The synergistic combination of exceptionally bioavailable curcumin and vitamin D3 in softgels maintains the balance of essential immune processes, musculoskeletal integrity, and optimal functioning of the body.

Curcumin is the main active component of the spice turmeric. Along with its remarkable potential against inflammatory and vascular diseases, joint problems, and skin disorders, curcumin facilitates more rapid recovery after exercise-induced muscle damage, reduces mental fatigue, and lessens the symptoms of premenstrual syndrome. It is also known for its antioxidant, wound-healing, and glucose-lowering activities.

- + Combination of exceptionally bioavailable curcumin and vitamin D3
- + Hydro-Soluble Technology

gluten free

no dairy/lactose

GMO free

NUTRITIONAL INFORMATION

PER 1 CAPSULE

Turmeric Root Extract (Curcuma Longa)	500 mg
Vitamin D3 (as cholecalciferol)	5 µg (200 IU) (100%*)

* NRV - % of nutrient reference values

PACKAGING

60 softgels

RECOMMENDATION FOR USE

Take 1-2 softgels with some liquid.

Collagen Type I & III

Collagen is the major structural protein in the body's joints. This product contains pure VERISOL® Hydrolyzed Collagen which is hydrolyzed into component amino acids for optimal utilization by the body. UltraVit Collagen Type I & III helps support hair, skin, nails, tendons, ligaments and bones.

- + Health of hair, skin, nails, tendons, ligaments and bones
- + Support joint comfort, mobility and quality of life
- + Contains 1700 mg of Verisol® Collagen Peptides
- + Enriched with Vitamin C
